

August 2005 Newsletter

Meeting Agenda

I did not attend the last meeting and I will recap briefly what I was told. The club decided not to host the annual fall fly in this year and also it was decided that the new name and logo contest will be decided in February 2006 before the clubs AMA charter is up for renewal.

That's all I know and I sincerely apologize for not having more information.

RC News & Products

A gentlemen by the name of Mr Graydon Clark is hosting the 1st Annual Carlsbad RC Flyers Float Fly to be held at Brantley Lake between Carlsbad and Artesia on September 24, 2005. This a one day event and kept simple, no food, and no flying/landing fee. If the event goes well, then next year will bring a bolder event. For more information please contact Mr Graydon at 505-885-3929 or e-mail: clark@carlsbadnm.com.

The club in Alamogordo is hosting an upcoming IMAC event "Southern N.M. Aerobatic Shootout" on September 24th-25th.

For more information call the contest director Mr. Eric Uhr at 505-432-4702 or drop an e-mail: ericuhr@hotmail.com.

Model of the Month

Mr. Tim Meeks brought his Great Planes Cub float plane, this time as a covered and finished model. I hope to have PICS soon on this beauty...

Remember for a model to be picked MOTM you must attend a meeting with your project to be considered!

Meeting Info

Meetings held 7:00 p.m. 1st Thursday of every month at Jim Patterson's house located at 1202 S. Brown Rd. Corner of McGaffey and S Brown Road.

For a map go to www.roswellrc.org and click on map to the flying field.

Final Thoughts

I spoke to Craig Russell and he asked if I would post a request that all club members please submit their corresponding radio frequencies to him so that he can update the members only section on the clubs website. You can send the info to Craig at: safety@roswellrc.org.

On another note I noticed that we need to have another field clean up day. The field has become overgrown with weeds, and some trash. Hopefully this will be planned during the upcoming meeting.

Please we need club members to attend the meetings. If you want to be heard then please attend!

Please check the website for many new updates . . .
