## *Update from RAF President*

*" I was recently notified by our Attorney, Tom Haines, that we are free to go ahead and repair our fence. Kim Elliot, the City of Roswell Parks and Recreation Director has also contacted me and given us his and the City's blessings to go ahead to repair the fence to it's original condition, as well. Mr. Elliot said that the city is glad to have us and that they are glad to see us repair the fence and continue to use the property as our flying site. I would like to have a volunteer from our club who is familiar with the situation and is a can-do type to ram-rod and coordinate the rebuild effort. I am asking for someone to step up and take charge. Get the guys together and schedule the work, etc. I need to know when and what goes on with the fence so I can keep Mr. Elliot and Mr. Haines updated. If you are the guy, contact me ASAP. "*

*Thanks and Merry Christmas,*

## *Christmas Party*

*We all had a great time at the Christmas Party/Meeting. Club Members and Wives had a chance to get together, eat some great food, and celebrate the holiday! The White Elephant Gift Exchange was very nice and some really nice items were exchanged. We definitely need to make plans as a club to have more get togethers.*
