## Board Meeting-Sept. 17, 2009

The Board met this date with a quorum of 10 out of 14 members present. Introductory remarks by the Chairman and the President included: continue selling raffle tickets; we need at least 22 members to eat at the Friday meetings, if less, the Club has to pay the cost differential. The Club has received back from International our agreement on how we dispose of our assets in the event of resigning from Sertoma. The Secretary announced that **Bill Slade** has resigned because of personal issues. One application for membership (actually a reinstatement/transfer) was voted down. The Secretary also read out the names of those members who have not paid any part of their dues to date — and new billing statements for the 2nd Quarter will be coming out soon.

The Treasurer had some good news regarding our investments. We seem to be making money again but we have paid out a large sum recently on Scholarships. Still we are on the “plus” side. Our investment advisor, **Jeff Gilbert**, will be attending our next Board meeting.

The Bingo Committee reported that “business” was picking up. The Board Room is being straightened up and there is an old (see “Meeting” next column)

## What's been going on...

**Sep 11:** This was the 8th anniversary of 9/11 and we had a moment of silence in remembrance.

Prayer: **John Bogschutz**; Pledge: **Bob Lynd**; Whiz Wheel: **Britt Donaldson**, \$20 on the 1st spin.

One of our guests was **Lindsey Woody**, a senior and Roswell Sertoma Student of the Month at Goddard High. She has a list of several colleges where she wants to pursue communication disorders and point toward speech pathology. She was encouraged to apply for one of our scholarships.

**Michelle Jones** was inducted and pinned by her sponsor, **Howard Allman** (very carefully, I might add!)

Our speaker was **Hubert Quintana**, SENM Economic Development District. This is his second time in that job. He explained the purpose of the EDD and how its main goal is job increases in this district.

**Sep 18:** Prayer: **Dusty Huckabee**; Pledge: **Cynthia Lucero**; Whiz Wheel: **Michelle Jones** \$10 on the 2nd spin (she’s too new!!!!)

Business Meeting: Pretty much reiterated what’s covered above under “Board Meeting–Sept. 17, 2009.” We had a small turnout and unfortunately did not get our needed 22 eaters...

## The Rest of the Story...

### PUBLISHING THE BOOSTER: READ THIS..

The Board discussed the idea of saving money and bringing the Club into the 21st Century by publishing "The Booster" electronically instead of using the US mail. To begin this trial, this issue is put on the Club's website and also mailed out as hard copy. You can see that copy (and print it out, if you wish) on the Club's website which is:

[www.roswellsertoma.org](http://www.roswellsertoma.org)

The Board also is considering attaching "The Booster" to an email. But in order to do that, we need your email address. To confirm your email address, please send an email to:

[sertoma.roswell@yahoo.com](mailto:sertoma.roswell@yahoo.com)

We will need to identify those few (we hope) of you who do not have internet access and continue to mail you hard copy. But remember – the object of this effort is to save the Club money (printing costs [paper, toner, ink], labels, postage, etc.). So, if you have internet access and an email address, let us know by sending an email to the email address: [sertoma.roswell@yahoo.com](mailto:sertoma.roswell@yahoo.com).

Three old ladies and their dogs were sitting on a park bench, having a quiet conversation, when a flasher approached from across the park.

The flasher came up to the ladies, stood right in front of them and opened his trench coat.

Gertrude immediately had a stroke. Then Maude also had a stroke.

But Tillie, being older and more feeble, couldn't reach that far.
